Wholesome Publishing House brings you a magical bedtime story that sparks the limitless bounds of a child's imagination. The verse reads like a gentle whisper of the ocean's wind into the creative mind of a child, reminding them that they are the authors of their own lives and they are all that they can imagine themselves to be.

The book communicates a message of self-confidence, tolerance, compassion, self-awareness, creativity and thoughtfulness.

The ethereal nature of the 17 beautifully illustrated spreads inspires a dream-like state delicately balanced and wrapped in a playful visual experience that any age will appreciate.

The book is complete with bonus material including a bedtime verse called Turtle Dreams which is an adaptation from the classic "now I lay me down to sleep". Then comes an educational spread called Sea Turtle Fun Facts and finally the book ends with a socially interactive Art Expo and coloring pages of Ridley the Sea Turtle and Faith the Fish.
