Signal Mountain: A Novel

Anna Grace Michael

Signal Mountain: A Novel Anna Grace Michael

Life changes quickly for young June Cuthbert as she travels to live with her aunt, her last living relative. The journey to her new home takes a turn perilously close to death, with no promise of safety in the future. The crash of the passenger train finds June fleeing for her life and landing squarely in the lap of conspirators, where she is thrown into a case of mistaken identity. Taking on the role of another woman may save her life, but as a young man begins falling in love with her false identity, June must make the decision to reveal herself or continue in her lie. Trapped on the snowy mountains of Tennessee, June must face her conscience and her fears of her new found friends and those that still seek her.
