Excerpt from The Republic of Uruguay, South America: Its Geography, History, Rural Industries, Commerce, and General Statistics

During the last twenty years, more than a score of works by various English authors have been written on the resources, physical characteristics, government, history, and social condition of the countries bordering on the River Plate.

The two Platine States are the Argentine Republic and the Republic of Uruguay. But the so-called River Plate is little more than the estuary of its two great affluents - the River Parana and the River Uruguay.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com)

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
