You, Me, and the Colors of Life

Noa C. Walker

You, Me, and the Colors of Life Noa C. Walker

Faced with challenges from an early age, Janica has learned to celebrate and enjoy every day as a gift. Her life-affirming attitude fascinates Thomas, a shy young man who begins to see the rich colors of life in a whole new light. As she reveals a world he never could have imagined for himself, Thomas falls head over heels for the strong young woman and becomes part of her quirky circle of friends and her loving family.

Their generosity of spirit draws Thomas out of his shell. He finds strength in their visits to the children's hospital where Janica volunteers, captivating the kids' attention with her imaginative stories. But all too soon fate deals them a harsh blow. Can their love survive life's obstacles?

You, Me, and the Colors of Life is a moving, hopeful story about the power of love and the power of living a life filled with joy.

From reader reviews:

David Martin:

Book is usually written, printed, or outlined for everything. You can realize everything you want by a guide. Book has a different type. To be sure that book is important thing to bring us around the world. Adjacent to that you can your reading expertise was fluently. A e-book You, Me, and the Colors of Life will make you to be smarter. You can feel considerably more confidence if you can know about every little thing. But some of you think this open or reading a new book make you bored. It's not make you fun. Why they might be thought like that? Have you in search of best book or suitable book with you?

Bethel Stockton:

What do you ponder on book? It is just for students because they are still students or it for all people in the world, the particular best subject for that? Only you can be answered for that problem above. Every person has various personality and hobby for each and every other. Don't to be forced someone or something that they don't want do that. You must know how great along with important the book You, Me, and the Colors of Life. All type of book is it possible to see on many sources. You can look for the internet options or other social media.

Aimee Nguyen:

As we know that book is vital thing to add our understanding for everything. By a publication we can know everything we wish. A book is a pair of written, printed, illustrated or perhaps blank sheet. Every year has been exactly added. This reserve You, Me, and the Colors of Life was filled regarding science. Spend your spare time to add your knowledge about your scientific research competence. Some people has several feel when they reading a book. If you know how big benefit from a book, you can experience enjoy to read a book. In the modern era like today, many ways to get book that you just wanted.

Joseph Vargas:

As a pupil exactly feel bored for you to reading. If their teacher expected them to go to the library as well as to make summary for some reserve, they are complained. Just small students that has reading's spirit or real their interest. They just do what the educator want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that examining is not important, boring and also can't see colorful images on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this You, Me, and the Colors of Life can make you experience more interested to read.
