Be Thou My Vision (Hymns of the West) (Volume 2) Faith Blum

The church was empty when I dragged myself out of the pew and headed out the door. As I opened the door, the corner of my eye caught a flicker of movement which I chose to ignore. I walked down the steps and was nearly bowled over by two wild boys. With arms grown strong and quick from man-handling two brothers growing up, I grabbed the two boys before they had a chance to escape me. Anna Stuart is comfortable with her life. She may be a 30 year old spinster, but she has her routine and enjoys taking care of her father and older brother. One letter shatters all her routines, comfort, and enjoyment. After learning of her brother's death, Anna feels like her life will never be the same again. Then she meets two motherless boys. Did God place them in her life to lead her to a new vision of life? Can she trust God to give her the desires of her heart before she even knows what they are?
