The Creation of God! An “inspirational” look at fortifying our belief—in God!

Dare is a practical approach to God, that avoids the confusion that can be created by traditional teachings, biblical miracles, and thousand year medieval beliefs.

Through this inspiring look, *Dare* explains God, why there is suffering, what Heaven is, what you can expect in “your” Hereafter, and the “true” coming of God.

Dare gives answers that verifies the presence of our God and—*why we exist*.

Dare uses a step-by-step approach in working with the reader to develop a reasonable and believable answer to the creation of God and your role in an after-life. *Dare* is not a sermon, but does build a clear modest belief—a realistic belief—a different belief.

These are answers that do not require ancient scriptures—but do provide reasoning and common sense solutions. As we go through each chapter you will become aware of a new aspect of God that is credible and shows you an emotional and worthwhile future with God for possibly millions of years.

Logic and facts are the basis of this book and in many ways *Dare* struggles with the Bible and traditional religious teachings. Should we accept the unverifiable and prehistoric writings that transpired over a thousand years ago? Shouldn't we be using modern facts and common-sense that reflect today's educated society?

As our worldly knowledge increases and if religion continues to disregard obvious evidence, relics, and time worn proof of man-kind's millions of years of existence; religious credibility will diminish. Eventually, religion will become a smaller and smaller part of our lives and that is truly the . . . sin!

We must have belief in God!

Take the dare—read this book!
