## **God's Prophetic Calendar** Lehman Strauss

In this book, Lehman Strauss studies the practical import and the prophetic meaning of the seven feasts described in Leviticus 23. Originally given to the Israelites, the feasts detail God's plan for the present church age and His purpose for a future dispensation.

This single chapter in the Old Testament contains a complete chronological foreshadowing of God's design for mankind commencing with Christ's redemptive work at the cross and concluding with the establishment of the millennial kingdom.
