José de Alencar

Iracema (Library of Latin America) José de Alencar

Jose de Alencar's prose-poem *Iracema*, first published in 1865, is a classic of Brazilian literature--perhaps the most widely-known piece of fiction within Brazil, and the most widely-read of Alencar;s many works. Set in the sixteenth century, it is an extremely romantic portrayal of a doomed live between a Portuguese soldier and an Indian maiden. *Iracema* reflects the gingerly way that mid-nineteenth century Brazil dealt with race mixture and multicultural experience. Precisely because of its nineteenth-century romanticism, *Iracema* strongly contributed to a Brazilian sense of nationhood--contemporary Brazilian writers and literary critics still cite it as a foundation for their own work.
