Do you feel like no matter what you do, you're never doing the right thing for your spouse? Do you wonder what happened to the romance you shared before the honeymoon was over? Is your marriage starting to look a little rundown; perhaps a makeover is needed? The Bible details God's blueprint for a healthy marriage. In *Marriage Under Construction*, conference leaders Luis and Angela Hernandez examine this design and share what happened when they took their young marriage through six fundamental building blocks for a long-lasting marriage. In their book, you'll find practical advice on: *How to communicate to avoid unnecessary battles *How to respect your differences and build a strong bond *Why you should stop trying to change each other and what to do instead If you don't want divorce as an option, and instead you want to strengthen your marriage then this book is for you. There are two versions of *Marriage Under Construction*. Four of the six chapters are identical in each book, but two of the chapters in this book are directed specifically to a man's point of view.
