Of Hockey and Hijab: Reflections of a Canadian Muslim Woman Sheema Khan

In these thoughtful essays, Sheema Khan - Canadian hockey mom and Harvard PhD - gives us her pointed insights on being a modern and liberal, yet practicing, Muslim, especially in Canada. Tackling a host of issues, such as terrorism and fanaticism, human rights post 9/11, Islamic law, women's rights, sharia, and the meaning of hijab, she explains Islam to the greater public while calling for mutual understanding and tolerance. She tells us "Why Muslims are angry," and protests, "You can't pigeonhole 1.6 billion Muslims," while calling on Muslims to "acknowledge the rise of fanaticism," She explains the palusibility of Islamic financing and applies the Charter of Rights to Canada. "Can there be Islamic democracy?" she asks, and then, "Will Quebec adopt France's peculiar brand of liberty?" Provocative and original, even-handed and conciliatory, these essays are an important contirbution to an urgent modern debate.

I will never see my own country quite the same again. I thank Sheema Khan for lending me her eyes and giving all Canadians the precious and welcome gift of her words. Her insight into everything from religion to hockey - often thought to be the same thing in this country! - is blessed with intelligence and humour.

- Roy MacGregor, author of *Canadians: A Portrait of a Country and Its People*

From women's issues to terrorism to Islamophobia, *Of Hockey and Hijab* takes the reader on a journey to explore the many contemporary issues affecting Muslims in Canada and abroad. Khan's book is a must read for all

- Mona Mazigh, author of *Hope and Despair*

Sheema Khan reflects on issues ranging from discrimination from others to religious patriarchy from within, faced by her Muslim coreligionists in Canada and abroad. She does so with empathy, wisdom, and humour, concluding that reasonable accommodation on the the part of non-Muslims and a proper reading of the Koran and understanding of the teachings of the prophet Muhammad would lead to an Islam that would be perfectly compatible with Canada's unique multicultural experiment.

- Michael Adams, Environics Institute, author of *Unlikely Utopia*

Sandra Bland:

As a university student exactly feel bored to be able to reading. If their teacher requested them to go to the library or even make summary for some guide, they are complained. Just little students that has reading's spirit or real their hobby. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that studying is not important, boring as well as can't see colorful pics on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Of Hockey and Hijab: Reflections of a Canadian Muslim Woman can make you sense more interested to read.
