Perfect Harry Kraus

Wendi Stratford's job as an accident reconstructionist is just one more enviable reflection of her ideal life. She's got it all---perfect career, perfect looks, perfect husband, perfect home, perfect faith. There's just one problem: it's all a sham, right down to her bleached-blond hair. So Wendi hatches an impulsive and exhilarating plan to break free of the lie she's been living---only to watch her hopes die in a terrible accident. But as she sifts through the wreckage, Wendi comes to a shocking conclusion. This was no accident. The quest is on to learn the truth, but the truth could be deadly. And now someone is leaving Wendi clues at accident scenes, clues that could lead her straight into a killer's hands. With her life on the line, Wendi must find strength in a faith that until now had been merely an accessory to her storybook life. With engaging characters swept into a millrace of mystery and suspense, Harry Kraus' new novel is. . .perfect.
