## **The Building Brothers: Unleashed** Seth & Cody Booher

Jack and Tony were normal brothers in every way, but their normal was about to change in ways they couldn't begin to imagine. On a sweltering hot day, while building a castle on the beach, the tide quickly rose, dark storm clouds rolled in, and lightning struck! The boys were flung backward through the air, landing hundreds of feet away. As quickly as the clouds had rolled in, they dispersed and blew away. When the sun rose the next morning, the boys could see that broken collar bones and bruises weren't the only thing the lightning brought. They now had brand new super powers. But would they learn how to control them in time to save the entire world from themselves?
