Page through on You Tube shows the images: <https://youtu.be/QK-5K31QUKg> This flowers and fruit collection of 26 vintage textured images has been curated from Public domain works. I have resized, grayscaled, altered, spot lightened and darkened areas to give you the best possible coloring experience. These images were all test colored by a seasoned team of colorists, so if you have any questions while creating your art piece, please don't hesitate to ask. If I don't know, they certainly will. What is grayscale? Grayscale is different than traditional line art coloring books in that it shows you how to shade a picture by matching with 3 or more shades of your media to the light and dark areas of the picture. It gives a very real looking result! Or, you can just color lightly over an area, and let the pictures shading do the work for you! With grayscale coloring anyone can be an artist! I hope you have as much fun coloring as I had creating!!
