## **Body of Work** Gili Estlin Hirsch

*Body of Work* is a bold and sensual photography series depicting poetry fragments written on the author's body, reflecting a desire to infuse the written word with living, visual components. The poems featured in *Body of Work* can all be found in Gili Estlin Hirsch and Alex Ogden's illustrated poetry book, *Anna*, also published by Fox & Owl Press. *Body of Work* is a companion project to *Anna*, and shows how a collection of poetry can be redesigned, reorganized, and re-presented in a visually innovative way that takes words off the shelf and gives them new life in our minds and on our bodies.
