Flight of the Forgotten: A True Story of Heroism and Betrayal

Mark A. Vance

Flight of the Forgotten: A True Story of Heroism and Betrayal Mark A. Vance

Flight of the Forgotten is the true story of one of the most closely-guarded American military secrets of all time. It is intriguing, controversial and thought-provoking. The story traverses 50 years, two generations and the realities of our physical world. The triggering event is the tragic loss of an American Eighth Air Force bomber crew in 1945 under mysterious circumstances while enroute home after the end of World War II. This loss represents a 50-year-old aviation mystery, officially "forgotten" by the United States Government. Details described and amplified within this story remain permanently "buried" inside a top-secret O.S.S. file to this day. This book is a public counter to official censorship efforts by the United States Government to have these events erased from the public record and hidden from public view. Flight of the Forgotten is a story everyone who has ever lost a loved-one should hear and it serves as a living memorial to the Jack B. Ketchum crew.
