Footprint Ireland Handbook : The Travel Guide Sean Sheehan, Patricia Levy

Part of a series of British Isles travel guides, this is a comprehensive guide to the whole of Ireland from the Glens of Antrim to the bays of West Cork. Written by two authors who have a close knowledge, understanding and affinity with Ireland, it draws on the entire culture and history of the country to conjure up its spirit, while giving information for travellers on the practicalities and the wide variety of activities Ireland has to offer. The highlights are illustrated with colour photography, and there are detailed descriptions of long distance walks such as the Kerry Way.
