Historic Photos of Kansas City captures Kansas City's past through photographs from the city's finest archives. From the Civil War period, to the turn of the century, to the building of a modern metropolis, Historic Photos of Kansas City follows life, government, education, and events from Kansas City's history. This book captures unique and rare scenes through the original lens of about 200 historic photographs. Published in striking black and white photography, these images communicate historic events and every day life of two centuries of people building a unique and prosperous city.
