Royally Screwed

Nicki B.

Royally Screwed Nicki B.

Kennedy thought she had found the man of her dreams when she met Deo. But there was a problem – his ex-girlfriend Tamera. No matter how much money she spent, or liquor she drank, she still felt empty. At least until she met Daddy... Deo is a good man. However, the more his home life falls apart, the more he realizes he's neglected it. When he decides to make it right, can he fix what he's broken, or is it too late? Tamera was so sure that she'd found her saving grace when she met Deo years ago. The more Deo supports her, the more she sees what she's lost. Is this newfound friendship it for them, or can she get her old thing back? Daddy, AKA AJ, is happily married to Diana, but loves having sex with Kennedy. He'd never leave Diana. Or would he?

From reader reviews:

Lottie Jowers:

Book is to be different for each and every grade. Book for children till adult are different content. As you may know that book is very important for people. The book Royally Screwed has been making you to know about other information and of course you can take more information. It doesn't matter what advantages for you. The guide Royally Screwed is not only giving you far more new information but also to be your friend when you sense bored. You can spend your spend time to read your publication. Try to make relationship with all the book Royally Screwed. You never truly feel lose out for everything in case you read some books.

Rodney Bell:

The e-book untitled Royally Screwed is the guide that recommended to you to see. You can see the quality of the guide content that will be shown to you. The language that writer use to explained their ideas are easily to understand. The writer was did a lot of research when write the book, and so the information that they share for you is absolutely accurate. You also could possibly get the e-book of Royally Screwed from the publisher to make you considerably more enjoy free time.

Ophelia Ellis:

This Royally Screwed is great reserve for you because the content and that is full of information for you who all always deal with world and also have to make decision every minute. This specific book reveal it details accurately using great arrange word or we can say no rambling sentences included. So if you are read the item hurriedly you can have whole details in it. Doesn't mean it only provides straight forward sentences but difficult core information with attractive delivering sentences. Having Royally Screwed in your hand like finding the world in your arm, information in it is not ridiculous 1. We can say that no publication that offer you world throughout ten or fifteen small right but this publication already do that. So , this can be good reading book. Hey there Mr. and Mrs. occupied do you still doubt that?

Paulette Preston:

What is your hobby? Have you heard that question when you got scholars? We believe that that issue was given by teacher with their students. Many kinds of hobby, Everyone has different hobby. And also you know that little person similar to reading or as reading through become their hobby. You must know that reading is very important along with book as to be the thing. Book is important thing to provide you knowledge, except your own teacher or lecturer. You will find good news or update in relation to something by book. Amount types of books that can you decide to try be your object. One of them are these claims Royally Screwed.
