Rspb Guide to Digital Wildlife Photography

David Tipling

Rspb Guide to Digital Wildlife Photography David Tipling

This helpful and practical RSPB guide to all aspects of digital wildlife photography is an updated version of our first edition. It is accessibly written by and beautifully illustrated with the work of one of Britain's best known wildlife photographers. The book's elegant design makes the most of the author's incredible photos and informative text. The book discusses all aspects of digital wildlife photography, from equipment, fieldcraft, locations and composition, post-processing and computer manipulation of images, through to getting your photos published. This is the ultimate reference book for all aspiring and established natural history photographers, and will equip its readers with everything they need to know to help them take better digital wildlife photographs. Praise for the first edition: 'A helpful and practical RSPB guide to all aspects of digital wildlife photography, accessibly written and beautifully illustrated with the work of one of Britain's best-known wildlife photographers.' Publishing News 'For anyone new to digital photography, or wanting to judge their existing work against a professional standard, the technical content alone makes this book a square meal.' BBC Wildlife 'A comprehensive and brilliantly illustrated guide to the pleasures and mysteries of digital photography, from choosing equipment to taking pictures, working on them at the computer and selling your work. If you are serious about your hobby, this is for you.' RSPB Birds
