Tantric Bliss: When Consciousness Entered Energy Shakti Padmini

Sex-Love-God. Is that the 'new' Holy Trinity? Or is it consciousness-energy-divinity? In other words He-She-Godhead Embodied in Man-Woman-Cosmos? Weaving the infinite living thread He and She dance in all creation Hidden in all polarities Calling to each other In all dualities Drawn together by the force of sexual attraction Just as the human soul is being drawn to god Just as the separate personality Yearns for its annihilation Back to the void Back to the womb Back the heart of love Love: the essence May you pause from doing and drop into being for as you read Shakti's poems: may you dream, read in between the lines and listen to your body, sensing feelings, allowing visions to appear. May you listen to the small voice from deep within, the voice of the one who remembers . . . the one who remembers the time when consciousness entered energy . . . "Ascension actually means descension: When spirit fully descends into the matter duality will cease to exist" - Shakti Padmini
