## The Harper Concise Atlas of the Bible

In 1987, the parent of this volume, The Harper Atlas of the Bible (LJ 1/88), enjoyed high praise for its scholarly erudition and cartographic beauty. This condensed version--100 pages shorter and considerably cheaper--offers more direct access to the current knowledge of the historical geography of the Bible. Like its predecessor, the arrangement is chronological, and uses maps, charts, and artwork to visually stimulate its multidisciplinary text. A clear course is stated: the biblical events are of primary importance. What has been gained in this pared down version is a tight, succinct text geared towards the general public and interested laity. The first Atlas commends itself without reservation; having that, the smaller version probably is not necessary. Lacking the full edition, however, consider the concise edition for those collections serving the general public. - Sandra Collins, SLIS, Univ. of Pittsburgh

### From reader reviews:

#### Harriet White:

Reading a book can be one of a lot of activity that everyone in the world likes. Do you like reading book therefore. There are a lot of reasons why people enjoy it. First reading a reserve will give you a lot of new information. When you read a reserve you will get new information because book is one of various ways to share the information or perhaps their idea. Second, reading a book will make an individual more imaginative. When you reading through a book especially fiction book the author will bring you to imagine the story how the personas do it anything. Third, you could share your knowledge to other individuals. When you read this The Harper Concise Atlas of the Bible, you could tells your family, friends and also soon about yours e-book. Your knowledge can inspire others, make them reading a reserve.

#### Paul Mendosa:

Playing with family within a park, coming to see the coastal world or hanging out with pals is thing that usually you have done when you have spare time, then why you don't try thing that really opposite from that. A single activity that make you not experience tired but still relaxing, trilling like on roller coaster you are ride on and with addition associated with. Even you love The Harper Concise Atlas of the Bible, you may enjoy both. It is good combination right, you still wish to miss it? What kind of hangout type is it? Oh can happen its mind hangout people. What? Still don't understand it, oh come on its identified as reading friends.

#### Harold Scott:

Do you have something that you prefer such as book? The guide lovers usually prefer to select book like comic, limited story and the biggest one is novel. Now, why not striving The Harper Concise Atlas of the Bible that give your entertainment preference will be satisfied simply by reading this book. Reading behavior all over the world can be said as the means for people to know world far better then how they react toward the world. It can't be said constantly that reading addiction only for the geeky particular person but for all of you who wants to become success person. So , for every you who want to start reading as your good habit, it is possible to pick The Harper Concise Atlas of the Bible become your personal starter.

#### Dennis Winters:

As a college student exactly feel bored for you to reading. If their teacher requested them to go to the library in order to make summary for some guide, they are complained. Just very little students that has reading's heart and soul or real their leisure activity. They just do what the trainer want, like asked to the library. They go to presently there but nothing reading seriously. Any students feel that reading through is not important, boring along with can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this The Harper Concise Atlas of the Bible can make you feel more interested to read.
