*Alan Wilson*

**Asset Maintenance Management: A Guide to Developing Strategy and Improving Performance** Alan Wilson

- Reviews the eight major “policy sectors”—Activities Development, People Development, Planning, Contracting, Control, Computer System Solutions, Asset Management Tools, and Auditing.
- Demonstrates the necessity of and a methodology for developing asset maintenance management strategies to meet defined targets and commitments.
- Describes proven best practices based on actual experience.
- Provides options for how asset maintenance managers can implement their strategies and obtain the involvement and support of other key players in their organizations.
- Assists managers in determining how the implementation of new maintenance strategies will bring performance improvements to the company overall and the specific individuals affected.
