## **Colorplaner - mandalas (Volume 1) Noel Ruzic**

Mandala is far more than a simple shape. It represents wholeness, and can be seen as a model for the organizational structure of life itself--a cosmic diagram that reminds us of our relation to the infinite, the world that extends both beyond and within our bodies and minds. Having that on mind, we created Mandala Colorplaner book as a spiritual guidance tool for individuals along the path of calmness and relaxation. This book contains 31 Mandala images in various styles and differing levels of intricacy. The images are printed on a single side of the paper to help prevent bleed-through. We recommend putting a sheet of paper or card between pages if using strong inks. The back of each page is marked with a cutting line to aid removal of pictures. Sit back and enjoy in a meditative, almost therapeutic Colorplaner journey. We surely will. Happy coloring!
