The Lady Dares [Menage and More: Erotic Historical Multiple Partner Romance, M/F/M/M, Elizabethan Era] Lady Tess Ashworth grew up with, and at fifteen, fell in love with Lord Gareth Caldwell. She has had seven years since they last met to mature into an elegant woman. And seven years to nurture resentment for the man who declared undying love, then married someone else. Now widowed, Gareth has returned to capture Tess's heart. But she has acquired a reputation as an adventuress and will not be easily won. To intrigue her into his bed, he dares her-she never could resist a dare-to join him in a menage a quatre. Tutored by his deceased wife, he and his two mates have perfected the art of pleasuring a woman while satiating their own appetites. Tess accepts, but not for the reason he imagines. While Gareth is devising a means to thwart her uncle's plot to murder her, Tess is devising her revenge for Gareth's betrayal. Note: There is no sexual relationship or touching for titillation between or among the men. ** The Lady Wants It All [Menage and More: Erotic Historical Menage a Trois Romance, M/F/M, with F/F, with M/M and M/M/F elements not involving the main characters, bondage, paddling, sex toys, HEA] Spoiled, sheltered Lady Sabrina refuses to wed Viscount Brisbane, betrothed to her by her parents. She has never met Brisbane and will not give up her knight, Sir Roderick, her father's factotum. They have secretly been in love for years. He is not of her class, however, and it can never be. She runs away to widowed cousin Lady Caldwell's country home, where Sabrina meets Brisbane and likes, maybe loves, him too. Lady Caldwell has a guest, a lecherous duke, who lusts after the fair Sabrina and vows to force her to wed him. Her cousin sweeps Sabrina out of the reach of the three men and into the whirl of a London season. The duke follows. Brisbane and Sir Roderick follow. Will her knight and her betrothed be able to win the battle against an influential duke and convince Sabrina she can have it all? ** A Siren Erotic Romance
