Dinosaurs Forever William Wise

William Wise and Lynn Munsinger love dinosaurs just as much as kids do. In *Dinosaurs Forever*, this gloriously talented author and artist have created a superbly silly but well-informed collection of twenty-two original poems featuring dozens of dinos and their not-so-lost world.

Kids will learn such things as what (*and whom*) dinos ate, how they did (*and didn't*) get along with their fellow reptiles, and what they might have looked like while partying hearty at a fancy-dress ball. And with every turn of the page, young readers will experience the wondrous fascination these captivating creatures inspire...now and forever.
