Excerpt from Indian Logic and Atomism: An Exposition of the Ny ya and Vaice ika Systems

Considerations of space have rendered it necessary to omit all mere philological discussion and all treatment of points of minor philosophic interest. On the same ground no effort has been made to trace the vicissitudes of either system in China or Japan, or to deal with either Buddhist or Jain logic save where they come into immediate contact with the doctrines of the Nyaya and Vaicesika.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works."
