Damon Harris wants to be a better man. He's married the ideal woman in hopes it might settle him down. But what do you do when you've married the perfect woman and you just can't find it in your heart to love her? What do you do when the woman you truly love has married someone else? And what do you do when, after making a series of mistakes, you make the biggest one of them all? Indiscretion is a story of grief, loss, love and hope—and one man's journey to discovering what it truly means to be a man.
