Dutch designer Iris van Herpen is a pioneering voice in contemporary fashion. At the nexus of art, design, science, and technology, van Herpen's stunning sculptural work expresses a bold vision that seamlessly melds traditional handcraft with cutting -edge technology, including 3-D printing. This exhibition catalogue documents the evolution of van Herpen's couture through extensive photography and an illuminating interview, providing a rare view into the world and work of one of today's most original fashion designers.
