Audition Stasia Ward Kehoe

When high school junior Sara wins a coveted scholarship to study ballet, she must sacrifice everything for her new life as a professional dancer-in-training. Living in a strange city with a host family, she's deeply lonely-until she falls into the arms of Remington, a choreographer in his early twenties. At first, she loves being Rem's muse, but as she discovers a surprising passion for writing, she begins to question whether she's chosen the right path. Is Rem using her, or is it the other way around? And is dancing still her dream, or does she need something more? This debut novel in verse is as intense and romantic as it is eloquent.
