Before Disrupting Healthcare Pallav Sharda

Healthcare is an industry unlike any other. It is a matter of life and death, and no field poses as much reward or as many challenges for tech entrepreneurs.

***Before Disrupting Healthcare* is a must-read for anyone working on, or investing in, health information products.** A Health IT veteran draws on a dozen years of real-world experience to bring you to the leading edge of health software innovation.

It combines an introduction of today's foundational ideas and products with a look into what emerging IT trends will rule the future. You'll learn why Electronic Health Records, Health Information Exchanges, Accountable Care Organizations, and Meaningful Use regulation matter so much today - and what will matter even more tomorrow. Outsiders can use this book to become insiders, and insiders can become experts.
