The world has changed. It's not as easy to meet people, and it's definitely not as easy to find your soul mate.

At the very core, two people need to have similar styles, interests, and values when it comes to loving and living. So, how do you find lasting love? Dr. Pepper Schwartz believes that if you're ready for a serious relationship, it's time for a serious approach.

Described by Dr. Judith Sills as "insightful, brilliantly original and extremely useful," Dr. Schwartz's Duet™ Total Compatibility System is designed to help you find someone you'll be compatible with on the deepest levels.

Finding Your Perfect Match will help you:

- Identify the eight romantic personality characteristics that determine who you are, what you want and ultimately, who you should be with.
- Explore the five major lifestyle issues that can have a dramatic impact on you and your partner: money, sex, children, core values, and social life.

A lasting, loving relationship can only develop with someone who matches those needs and is truly compatible with you, but it's not as hard as you think. You just have to be willing to take a different approach. Dr. Schwartz has done thirty years of relationship research to save you a lifetime of searching.
