Global Girlfriends: How One Mom Made It Her Business to Help Women in Poverty Worldwide

Stacey Edgar

"A heartening story of big dreams and small steps" --Pietra Rivoli, author of *Travels of a T-shirt in the Global Economy*

"An engaging read, upbeat and inspiring."--*Kirkus*

"A beautiful example of what one woman can do **to improve the lives of thousands worldwide simply by following her heart.** Stacey Edgar's story is nothing short of amazing, and it will inspire even the most timid of dreamers to try their hand at making a difference in the world." --Doc Hendley, author of *Wine to Water a Bartender's Quest to Bring Clean Water to the World*, President/Founder of Wine to Water

Nine years ago, Stacey Edgar had a two-thousand-dollar tax return and a deep desire to help provide economic security for women in need. She knew that of the 1.3 billion people living on less than one dollar per day, seventy percent are women. What she didn't have was a business plan. Or a passport. But that didn't stop her from creating Global Girlfriend, a multi-million dollar, socially conscious business that has helped women on five continents feed their families and send their children to school.

Global Girlfriends is Stacey's inspiring story of following her convictions, interwoven with the stories of her colleagues and friends – real women all over the world, from Guatemala to Nepal, from Haiti to Uganda. It is also a passionate argument for simple actions we can all take to eliminate extreme poverty.
