*When it's time to get back in the saddle again, there's no better place than the picturesque mountain town of Nugget, California . . .*

A financial whiz with her own advice show, Gia Treadwell is passionate about helping people maximize their potential. But when her boyfriend—make that ex-boyfriend—steals millions with an epic Ponzi scheme, Gia is promptly run out of town. It's the perfect opportunity to revisit an old dream—one that apparently involves naked cowboys . . .

Flynn Barlow didn't expect anyone to walk in on him showering at the empty ranch where his family's cattle have always grazed. Even more surprising, the new ranch owner plans to turn it into a residential training program for women who need a hand up. A smart, gorgeous woman with a worthy cause? In Flynn's experience, if it seems too good to be true, it usually is.

Sharing the ranch doesn't mean Flynn and Gia have to get along, but riding together isn't the problem. It's the scorching chemistry they can't ignore. And if they figure out a way to add trust to the mix, they'll soon be sharing more than just a ranch . . .
