In this lyrical novel set in a Cuban-American neighborhood in Miami, three generations of women face an unexpected—and ultimately life-changing—trial. When Maribel, an overly cautious and orderly market analyst, gives birth to a severely handicapped baby, her mother, Adela, and her grandmother Cuca must put aside their differences to fill his short life with love. This means more than just a shift in attitude for Cuca, who speaks regularly to her deceased husband, and for Adela, a middle-aged beautician with a penchant for the lottery and her friend's husband.

Poetic and poignant, spiritual and deeply human, *The Chin Kiss King* explores the resiliency of mothers, the power of love, the hopefulness of redemption, and the meaning of faith in an unforgettable story of family and the ties that bind.
