The Secret of Shambhala: In Search of the Eleventh Insight James Redfield

Continuing the action-packed adventures begun in *The Celestine Prophecy* and *The Tenth Insight*, *The Secret of Shambhala* opens with a search for the legendary Tibetan-Buddhist utopia of Shambhala (or Shangri-La), a magical place that not only truly exists, but is destined to be found and understood in our time. Following a child's instructions and led by fascinating synchronicity, we cross the Himalayas and discover a mysterious community set high on a Tibetan mountain range where the spiritual future of mankind is already being lived. Overcoming Chinese interference and the tests of the mysterious Dakini (the otherworldly guardians of Shambhala) we finally discover the secret of this idealistic way of life, and understand how it will now begin to move into the rest of the world. *The Celestine Prophecy* has sold over eight million hardcover copies worldwide, and was the bestselling novel in the world in 1995 and 1996. *The Tenth Insight*, Redfield's sequel to *The Celestine Prophecy*, has over 1.2 million hardcover copies in print and remained on the *New York Times* bestseller list for 24 weeks, peaking at #2. Also available as a Time Warner AudioBook.

From reader reviews:

Sheila Walker:

Do you have favorite book? In case you have, what is your favorite's book? Guide is very important thing for us to understand everything in the world. Each e-book has different aim or maybe goal; it means that guide has different type. Some people feel enjoy to spend their time for you to read a book. These are reading whatever they get because their hobby is actually reading a book. Think about the person who don't like examining a book? Sometime, particular person feel need book if they found difficult problem or perhaps exercise. Well, probably you should have this The Secret of Shambhala: In Search of the Eleventh Insight.

Cathleen Read:

As people who live in the particular modest era should be update about what going on or details even knowledge to make all of them keep up with the era and that is always change and move forward. Some of you maybe will update themselves by examining books. It is a good choice for yourself but the problems coming to you actually is you don't know what kind you should start with. This The Secret of Shambhala: In Search of the Eleventh Insight is our recommendation to make you keep up with the world. Why, since this book serves what you want and wish in this era.

Jill Lee:

Reading a guide tends to be new life style with this era globalization. With reading through you can get a lot of information that may give you benefit in your life. Together with book everyone in this world may share their idea. Guides can also inspire a lot of people. Many author can inspire their reader with their story or even their experience. Not only the storyplot that share in the textbooks. But also they write about the ability about something that you need example. How to get the good score toefl, or how to teach your kids, there are many kinds of book which exist now. The authors these days always try to improve their skill in writing, they also doing some analysis before they write to the book. One of them is this The Secret of Shambhala: In Search of the Eleventh Insight.

Jamila Coles:

This The Secret of Shambhala: In Search of the Eleventh Insight is great e-book for you because the content which can be full of information for you who always deal with world and possess to make decision every minute. This book reveal it facts accurately using great plan word or we can say no rambling sentences inside. So if you are read this hurriedly you can have whole facts in it. Doesn't mean it only provides you with straight forward sentences but hard core information with attractive delivering sentences. Having The Secret of Shambhala: In Search of the Eleventh Insight in your hand like keeping the world in your arm, information in it is not ridiculous 1. We can say that no e-book that offer you world in ten or fifteen tiny right but this e-book already do that. So , it is good reading book. Hey there Mr. and Mrs. active do you still doubt that?
