When the Lady Dragon does come,

Hold fast, do not fear, do not run.

Your Water Princess will fight

Fire Prince will set all to right

Each shall come from a fall

Their Union will save you all.

Despite the fact that she's on track for competing in the Olympics, and he's practically raised his younger brothers since they lost their mom in a car accident, Clara Mandras and Andrew Stevenson are pretty much normal teens. They have normal hopes, normal dreams, and they live in a normal world. All this is torn away from them when they are thrust into another world and declared Water Princess and Fire Prince. With no experience ruling a country, meeting each other for the first time, and being expected to fight the Lady Dragon - an evil sorceress plaguing the world of Rizkaland - Clara and Andrew are underprepared and inexperienced. Unless they learn to work together despite their standing opposition, Rizkaland's hope will be lost.

What is to come will change their lives forever.
