Your Friends and Neighbors

Neil LaBute

Your Friends and Neighbors Neil LaBute

Your Friends & Neighbors is a searing display of the war between the sexes, delivered with the kind of wit used by the great Restoration playwrights to expose the hypocrisies in male/female relationships.

Neil Labute's debut feature, *in the company of men*, was described by *Variety* as "a dark, probing, truly disturbing exploration of yuppie angst and male anxieties". In *Your Friends & Neighbors*, male anxiety is again on show, but in a much wider context, revealing the rabid desire of people-regardless of sex- to serve their own interests at any cost.
