Become a Kindle Publishing Baron David Justin Smith

Book Description The book “Become a Kindle Publishing Baron” serves as a step by step guide for Kindle publishing. This book paves the way towards lucrative self publishing career and it deals with proven techniques to create, publish and market Kindle books. In this book, you can find unique marketing strategies that will double your ebook sales. List of topics covered in the book include how to make money with Kindle publishing, KDP Select program, marketing Kindle book, list of profitable niches, using Twitter and Facebook to promote ebook, boosting Amazon best seller rankings, and setting up a Kindle publishing business. **Table of Contents** How to make money with Kindle publishing? KDP Select Program Marketing Kindle Book List of profitable niche Using Twitter and Facebook to promote ebook Boosting Amazon best seller rankings Setting up a Kindle publishing business Points to Remember Sample Chapter from the Book How to make money with Kindle publishing? Many authors, publishers and internet marketers of today make an enormous amount of money with Kindle publishing. Kindle publishing is definitely one of the easiest and fastest ways to make money online. Self publishing ebooks will become a lucrative opportunity as ebooks outpace their physical counterparts. The best thing about Kindle publishing is that one doesn't need to be an established author or find a publishing company to start Kindle publishing. Publishing ebooks on Kindle and making money is as simple as a straight line that can be done by even a teenager. The majestic attraction of Kindle Direct Publishing is that Amazon takes care of the selling and marketing on behalf of the author. It is amazing to know that Amazon offers up to seventy percent of the royalty to authors. Amazon will send royalty earnings to the author's bank account every two months and they handle all the payment processing works. Kindle Direct Publishing offers two royalty options: 35% and 70%. A Kindle book qualifies for a seventy percent royalty if it is priced between \$2.99 and \$9.99. Some Kindle books may fetch \$50 for the author while some others may get him \$1500 and it is dependent on several factors including book niche, book cover, title, and reviews. Building six figure passive income with Kindle publishing is possible and it is not a herculean task. Ebook writers can earn \$2000-\$3000 per month from Kindle publishing with minimal efforts. There are many factors that determine whether a book will sell or not including Amazon search engine ranking, the book price and the book description. Some ebook writers publish 5-10 books per month and their income increases steadily just like thousands of drops form the ocean. Kindle publishing can be pursued as a full time or part time job and the income earned from Kindle publishing exceeds day job income in many cases. Kindle book authors can bid adieu to their day job and make a Kindle money empire on their own. What makes Kindle publishing unique from other make money online jobs? It doesn't require any specialized skills or technical knowledge that most other make money online jobs demand. It is to be kept in mind that Kindle book is an asset that offers infinite opportunities for monetizing. Ebook coaches are often asked the question “Is it possible to still make money with Kindle publishing” and their answer is a big and blatant “Yes”. Kindle authors have witnessed incredible results during the time period 2013-2016 and it will continue in the upcoming years too as smart phone and internet penetration will reach its maximum. Kindle publishing has become a booming business and it is an amazing way to get started as a solopreneur. It is definitely one of the top ten solopreneur businesses and Kindle publishing involves less cost when compared with other online business models.
