Connecting Faith & Work in the 21st Century

Connecting Faith & Work in the 21st Century

Where are we now? And what is left to be done?

In October 2014, a group of people passionate about what the Bible says regarding work gathered together in Boston at the first Faith@Work Summit to connect the idiosyncrasies between work life and Christian life, exploring how faith can be integrated into work. A product of that summit, this study guide includes overviews of the talks, links to 16-minute videos, and study questions for small group discussion. An extensive bibliography for further study is also included.

Topics covered include:

Foundations of faith and work

Equipping Christians to integrate their faith and work

Perspectives from different workplaces

Forces affecting our work

Pioneer tributes
