Are you ready to discover one of the most amazing crafts of all times? Yes, I said craft! Because crochet, in essence, is way more than a mere hobby. It's a way of expressing yourself. It's a way of creating beautiful things! Maybe for the own sake of creating something with your own hands, maybe because it's extremely fun - which trust me, it is-, maybe because you want to surprise a loved one with a hand-made gift. What could be better than that? In any case, no matter what your motivation is, there is something quite clear: Crochet is DEFINITELY for you! Perhaps you are an absolute beginner, just getting familiarized with this amazing subject. Maybe you have friends that are getting started or family that's been doing this for years and want to learn more. This book will take you from the roots of how to crochet, the supplies you need to get, and the different kind of stitches there are, to the more advanced stuff like changing colors. Even if you have never picked up a hook or yarn before, this book will give you all the skills that you need to get you hooked on crochet! You don't have to be an expert to follow these patterns So don't worry, this is 100% doable and absolutely enjoyable. The directions are easy to follow and even the most novice person can learn how to complete the basic projects indie. Crochet is skill that's becoming more popular as time goes on. If you've ever been interested in this fun and enjoyable hobby, download this book today and get started on making your own crochet pieces!
