Desiree's Lone Wolves [The Double R 2] (Siren Publishing Menage Everlasting) Gigi Moore
[Siren Menage Everlasting: Erotic Interracial Paranormal Cowboy Menage a Trois Romance, M/F/M, werewolves, light Consensual BDSM, HEA] Ten years ago, Carson and Sam Quarry's father died in a freak accident. Carson doesn't believe it was any accident and makes it no secret that he believes their pack alpha, Remy Bastien, killed their father. When Carson commits the most heinous offense a shifter can commit against another shifter, it gives Remy just the opening he needs to get Carson and Sam's mother right where he's always wanted her-mated to him. The family makes it their business to keep a low profile at The Double R. This is an easy enough task before Desiree Jensen, a conservative city slicker with painful secrets of her own, lands at the ranch, too. Despite her quiet and sheltered existence, Desiree is a lot stronger than she seems. Is she strong enough, however, to survive the fatal charms of two wolf shifters from her wildest dreams, especially when one is marked for death? Note: There is no sexual relationship or touching for titillation between or among the men. ** A Siren Erotic Romance
