Even in the Dark

Rose Lucas

Even in the Dark Rose Lucas

In a collection evoking luminescent images, poet Rose Lucas explores nature and beauty, love and travel. Even in the Dark contains delicate poems of the lives of women and the exquisite beauty contained in the act of observation. The entire lifespan is present here, in vitro to the final hours, developing and then ageing bodies captured in wisps of lovely images, images that also contain danger and risk. In this, her first volume of poetry, Lucas has distilled years of writing into an impressive selection. *** "These poems are eloquent, graceful and meticulously candid. Their subjects are often local - but Rose Lucas's major concern is the universal, how life's balance sheet of wins and losses plays out over changes in time and place. Her control of line patterns, the vigour and clarity of her perceptions, her poise and light-footed music pervade the book in moving ways. There is a questing, vulnerable sensuousness here, yet the overall spirit of her poetry is reverence and joy." -- Judith Beveridge

From reader reviews:

Katrina Varga:

What do you think about book? It is just for students since they are still students or that for all people in the world, the actual best subject for that? Only you can be answered for that problem above. Every person has diverse personality and hobby for every single other. Don't to be compelled someone or something that they don't desire do that. You must know how great along with important the book Even in the Dark. All type of book are you able to see on many resources. You can look for the internet solutions or other social media.

Sophia Hartman:

Even in the Dark can be one of your basic books that are good idea. We recommend that straight away because this book has good vocabulary that may increase your knowledge in language, easy to understand, bit entertaining but still delivering the information. The article writer giving his/her effort to place every word into delight arrangement in writing Even in the Dark yet doesn't forget the main place, giving the reader the hottest as well as based confirm resource facts that maybe you can be among it. This great information can certainly drawn you into brand new stage of crucial imagining.

Edgar Workman:

Is it you who having spare time in that case spend it whole day simply by watching television programs or just telling lies on the bed? Do you need something new? This Even in the Dark can be the reply, oh how comes? A fresh book you know. You are thus out of date, spending your free time by reading in this brand-new era is common not a nerd activity. So what these textbooks have than the others?

Brandy Anderson:

Do you like reading a guide? Confuse to looking for your selected book? Or your book has been rare? Why so many query for the book? But any people feel that they enjoy to get reading. Some people likes studying, not only science book but additionally novel and Even in the Dark or others sources were given know-how for you. After you know how the good a book, you feel wish to read more and more. Science e-book was created for teacher or maybe students especially. Those textbooks are helping them to bring their knowledge. In various other case, beside science guide, any other book likes Even in the Dark to make your spare time far more colorful. Many types of book like this.
