Glimpses Jaden Katsuura

Glimpses is the sneak peak into an individual's inner peace and contemplative turmoil.

Newcomer Jaden Katsuura explores the opportunities of life, death, and our daily habits in clear poetic verse. In binding contemporary views with traditional methods, Katsuura has indeed reshaped the landscape to his very own demeanor.

Glimpses provides an intimate look at how romance can embrace our lives to points of no return.

Still reserving the rights to comb through our fears of death and see the real truth held in our own survival.
