His Ownself: A Semi-Memoir

Dan Jenkins

His Ownself: A Semi-Memoir Dan Jenkins

From Dan Jenkins—one of America’s most respected and acclaimed sportswriters and author of the bestselling novels *Semi-Tough* and *Dead Solid Perfect*—comes a colorful, sentimental, hilarious, and cantankerous memoir about his lifelong journey through the world of sports.

“Sometimes, I envy my own childhood,” says Dan Jenkins. Many can say that about Dan’s whole life. In *His Ownself*, we follow him from his youth in Texas, where being a sports fan meant understanding a lot about religion, heroes, and drinking; to his first job at the *Fort Worth Press* working alongside all-time journalistic greats like Blackie Sherrod and Bud Shrake; to the glory days of *Sports Illustrated*. One of a handful of writers to establish *SI* as the most important sports magazine ever, Dan refocused the magazine’s college football coverage and covered the game’s greatest players and coaches. Beyond football, Dan is in the conversation about the best golf writers of all time. Having covered every Masters, U.S. Open, PGA, and British Open for the past fifty years, he takes us behind the scenes to capture the drama—as well as the humor—of these tournaments as he brings us up close and personal with the likes of Ben Hogan, Arnold Palmer, Jack Nicklaus, and Tiger Woods.

From his friendship and the rounds played with Ben Hogan, to the stories swapped with New York’s elite, to the corporate expense accounts abused, Dan lets loose on his experiences in journalism, sports, and showbiz. An honest, one-of-a-kind look at politics, hypocrites, political correctness, the past, the present, Hollywood, money, and athletes, this is a sports fan’s dream book. It’s a touching, laugh-out-loud tribute to the romanticism of sportswriting and the glory days of sports, told straight from the mouth of the man who saw it all his ownself.
