Montana (America) Tanya Lloyd Kyi

Once a powerful magnet for prospectors, Montana offered a wealth of riches from gold and semi-precious stones to the promise of new life away from the hustle and bustle of cities. Little has changed in this ruggedly beautiful land that is home to the Continental Divide, Glacier National Park and the pristine Columbia and Missouri rivers.

About the *America* series:

As expansive as America itself, this outstanding series captures outstanding views of panoramic landscapes, brilliant city skylines, and picturesque communities. Each volume focuses on a city or state and features 96 pages and 70 stunning images by internationally renowned photographers, plus descriptive captions.
