Practice Exams for the California Seismic Principles Civil P.E. Examination

Practice Exams for the California Seismic Principles Civil P.E. Examination is a book and a Computer Based Test (CBT) simulation software to help you prepare for the special seismic exam with its new format. Three practice exams, each with 55 multiple choice questions and their solutions are provided in a manuscript format, computer simulation exam, and computer exercise exam. The solutions to the questions are provided with easy to follow, detailed explanations and illustrations. The three practice exams are designed to cover the range of topics and tasks outlined in the seismic principles test plan. The objective for you is to practice your problem solving skills under realistic time constraints and identify any subject areas that require more review or practice. Third edition includes access to the CBT Website by the Author.
