Giovanni opens another chapter of desire for male meat! The male sexual organ has never been more directly or excitingly set into scene than in this fascinating declaration of love. While it may seem like a pure meat market on the surface, the artist's greatest concern is the individual beauty of man's best friend, which has earned it this honorific place in the sun. Giovanni never cheapens his art, lowering it to a sort of "dick pic" level - he shows himself a master of light and shadow, of form and composition. This title contains 112 plump pages showing a lust for life!
