Vampire Apocalypse: Descent Into Chaos (Book 2) (Volume 2) Derek Gunn

The entire Vampire Apocalypse series has recently been re-edited, undergone partial rewrites, and has been completely repackaged by Permuted Press, all new in 2014! Peter Harris and his comrades might have won the first round, but the vampires have just raised the stakes . . . Following the death of Nero, the surviving vampires separate into deadly cabals, a corrupt vampire council is born, and ancient loyalties fall by the wayside. Not only are the vampires at war with each other, but their servants—the thralls—are on the brink of open rebellion. When Peter Harris and his band of insurgents learn of this unrest, they seize the opportunity and enter the vampire territory with purpose. It is time to free the slaves and rescue the breeders, but what Harris and his gang discover inside the cabal is worse than they bargained for . . . Will Harris and his ragtag soldiers make it out alive?
