Articulate Storyline 2: The Essentials Kevin Siegel, Kal Hadi

Articulate Storyline is one of the hottest eLearning development tools in the world. This step-by-step workbook will teach you the most important and effective Storyline features that will have you creating interactive eLearning projects in as little as two days. There are tons of activities supported by a mountain of screen shots. And along the way, there are challenge exercises (Confidence Checks) that will put your new-found skills to the test. You ll learn how to create projects from scratch, how to work with slides, how to add text, images, characters, and shapes. There are lessons that will teach you how to add interactivity to your slides via buttons, Triggers, text entry areas, and hotspots. And you'll learn how to engage your learners with quizzes, and how to publish your eLearning projects for the widest possible audience.
