## **Heroic Measures (From The Minds of Humanity) (Volume 1)** James L. Dyar

Last night Cody Kirkright was a teen age, overweight, sci-fi nerd. Today he's an eight foot tall human juggernaut and the latest in a long line of heroes conjured up from the united minds of human kind. Now he's on a quest to rid humanity of a threat older than life. To do that he will battle monsters, threaten fairies, detonate fellow heroes, and face down the gods. It will take all his newfound abilities and more in a world where the dead still walk and nightmares are more real than reality itself.
